PROFESSIONAL SUMMARY

Video Editor and Social Media Content Designer focused on turning raw footage and creative ideas into engaging short-form videos and professional social media content. Experienced in talking-head editing, dynamic captions, B-roll, sound effects, transitions, music, and visual pacing for Instagram Reels, TikTok, YouTube Shorts, personal branding, and social media advertising. Also skilled in graphic design and digital content production.

Work History

- **Founder & Digital Marketing Content Creator | Take Away**
  Founded and managed a small clothing brand focused on print-on-demand products and plain T-shirt sales. Created promotional content, product visuals, social media designs, and advertising creatives. Managed Meta Ads campaigns, audience targeting, and online sales while maintaining consistent brand visuals across marketing materials.
- **Independent Video Editor & Social Media Content Designer | Self-Employed / Independent**
  Create short-form videos for Instagram Reels, TikTok, and YouTube Shorts using CapCut. Editing includes clean cuts, dynamic captions, B-roll, sound effects, transitions, music, visual pacing, and UGC-style promotional content. Also create social media graphics, thumbnails, carousel posts, and branded content.
- **Owner – TokoQianzi | Digital Marketing & E-Commerce**
  (Independent Business – Plain T-Shirt Retail)
  Managed TokoQianzi's e-commerce operations, including digital marketing, sales, and customer service. Created promotional content, managed Facebook Ads campaigns, handled customer transactions via WhatsApp, and utilized OrderOnline for order management and fulfillment coordination with suppliers. Gained hands-on experience in managing the complete digital business process from marketing to delivery.
